

Oliver McGowan Autism Training - Warning – content of this module may be of a sensitive nature

Before you can complete the following training, you will need to register for an account on the NHS Portal [NHSE elfh Hub \(e-lfh.org.uk\)](https://www.e-lfh.org.uk).

Copy and paste the link below into your browser;

<https://www.e-lfh.org.uk/programmes/the-oliver-mcgowan-mandatory-training-on-learning-disability-and-autism/>

That will bring up the following page;

Click on the hyperlink; The Oliver McGowan Mandatory Training on Learning Disability and Autism

The screenshot shows a web browser window displaying the details of a course titled "The Oliver McGowan Mandatory Training on Learning Disability and Autism - Part 1 of 2". The page has a dark header with "View" and "Sign in" buttons. The main content area is titled "Course Information" and includes the following details:

- Title:** The Oliver McGowan Mandatory Training on Learning Disability and Autism - Part 1 of 2
- Description:** The elearning session within this course is co-created and delivered with experts by experience. It covers an understanding of learning disability, understanding autism, communication and reasonable adjustments. In order to receive a certificate for this elearning, we ask that you also complete both the pre- and post-elearning surveys. Each survey should take between 5–10 minutes to complete. To fully complete the training, you need to:
 - complete this elearning and
 - the 1 hour online interactive session that is co-delivered by experts by experience (if you need Tier 1 training)
- OR**
- the 1-day face-to-face training that is co-delivered by experts by experience (if you need Tier 2 training)
- Your employer will inform you which Tier you need and how to access it.
- Hierarchy:** The Oliver McGowan Mandatory Training on Learning Disability and Autism - Part 1 of 2 > The Oliver McGowan Mandatory Training on Learning Disability and Autism - Part 1 of 2
- Keywords:** Oliver, McGowan, learning, disability, autism, communication, reasonable adjustments, core capabilities framework
- Created:** 26 Oct 2022
- Updated:** 29 Nov 2022

At the bottom of the course information, there are social media sharing options for Facebook, Twitter, LinkedIn, and a "Copy URL" button.

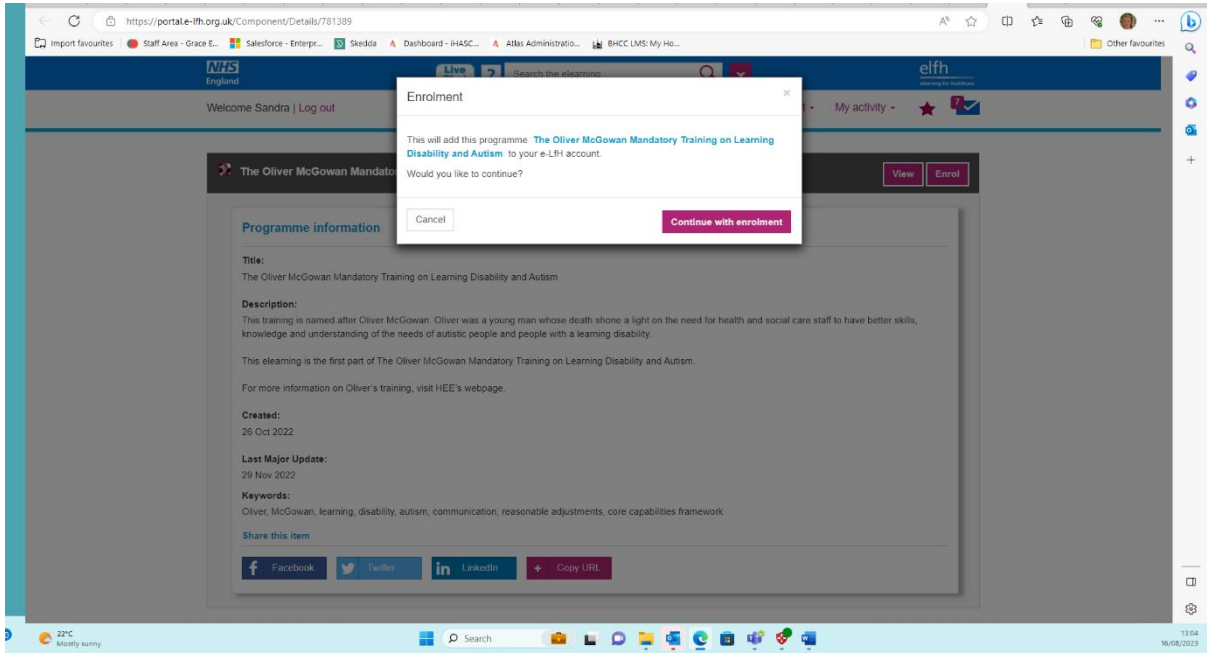

Click on 'sign in' and enter your username and password.

The screenshot shows the same eLearning portal after a user has signed in. The header now includes the NHS England logo, a "Live Chat" button, a search bar, and the "elfh" logo. The user is logged in as "Sandra" and the header shows "Welcome Sandra | Log out" and navigation links for "Home", "My elearning", "My account", and "My activity". The course details are now under the heading "Programme information" and include:

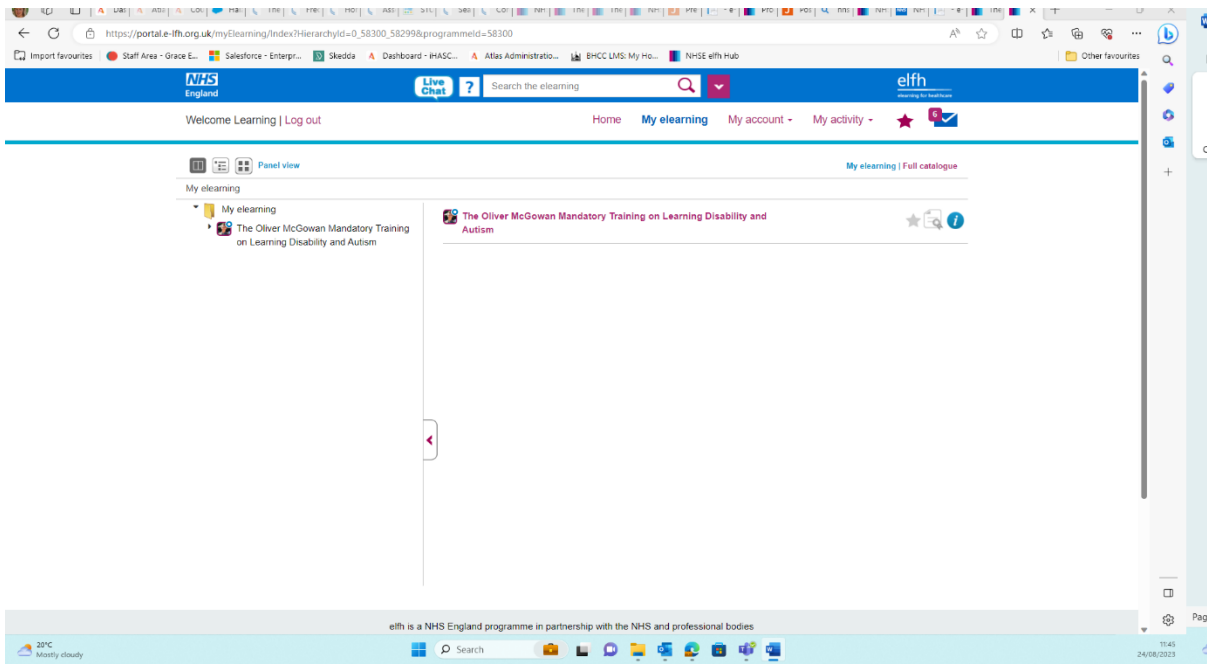

- Title:** The Oliver McGowan Mandatory Training on Learning Disability and Autism
- Description:** This training is named after Oliver McGowan. Oliver was a young man whose death shone a light on the need for health and social care staff to have better skills, knowledge and understanding of the needs of autistic people and people with a learning disability. This elearning is the first part of The Oliver McGowan Mandatory Training on Learning Disability and Autism. For more information on Oliver's training, visit HEE's webpage.
- Created:** 26 Oct 2022
- Last Major Update:** 29 Nov 2022
- Keywords:** Oliver, McGowan, learning, disability, autism, communication, reasonable adjustments, core capabilities framework

Social media sharing options for Facebook, Twitter, LinkedIn, and "Copy URL" are also present at the bottom of the programme information section.

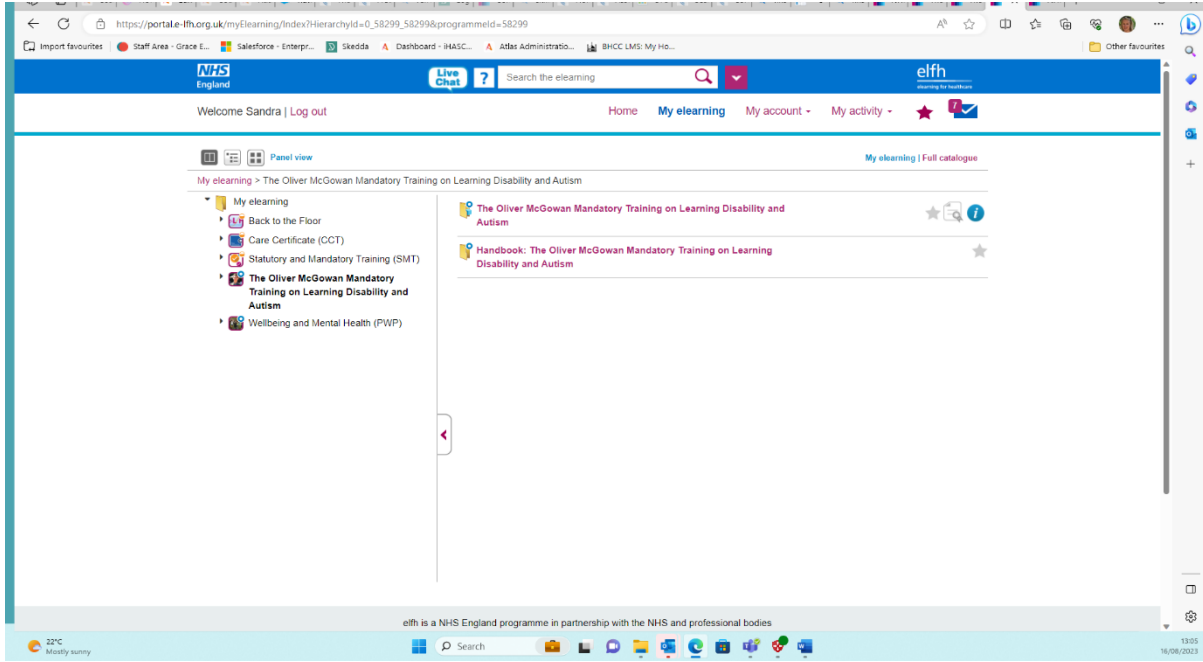

Click on 'enrol'

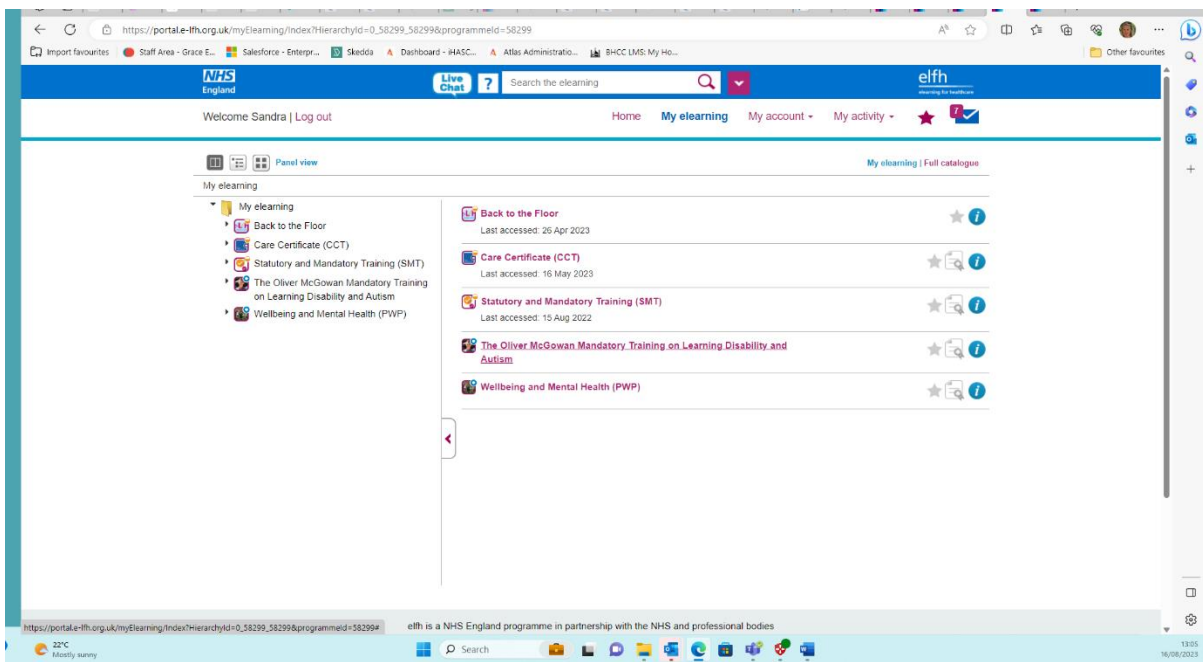

Click on 'continue with 'enrolment''

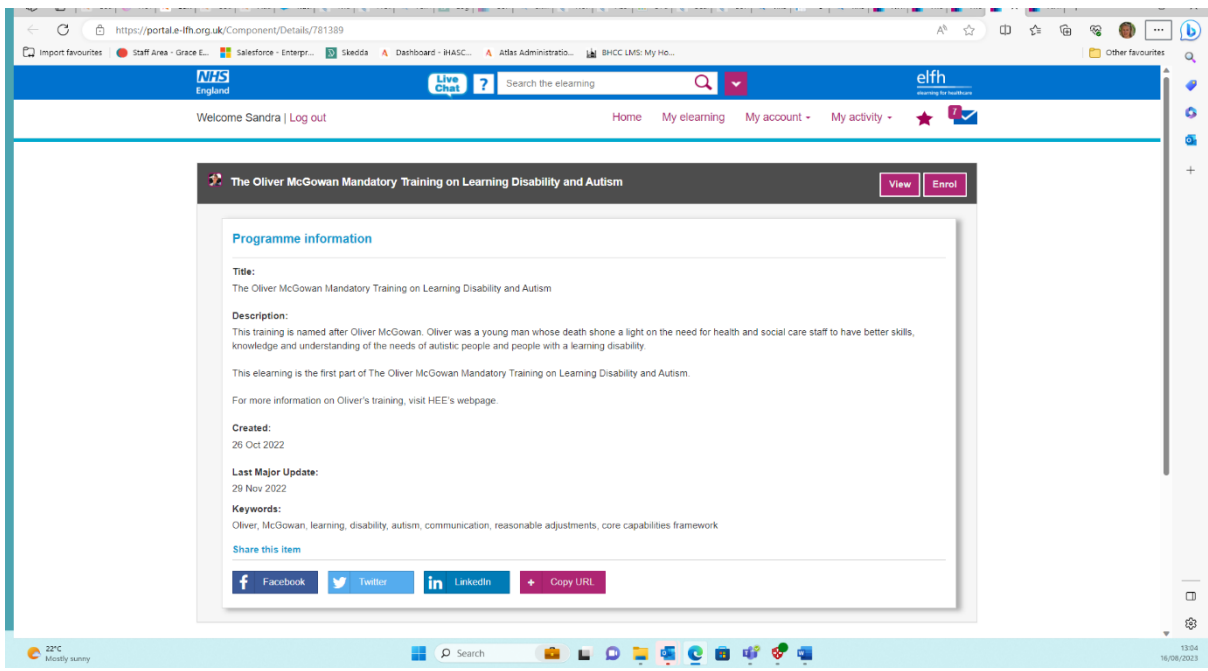

Click on the link – The Oliver McGowan Mandatory Training on Learning Disability and Autism – Part 1 of 2.

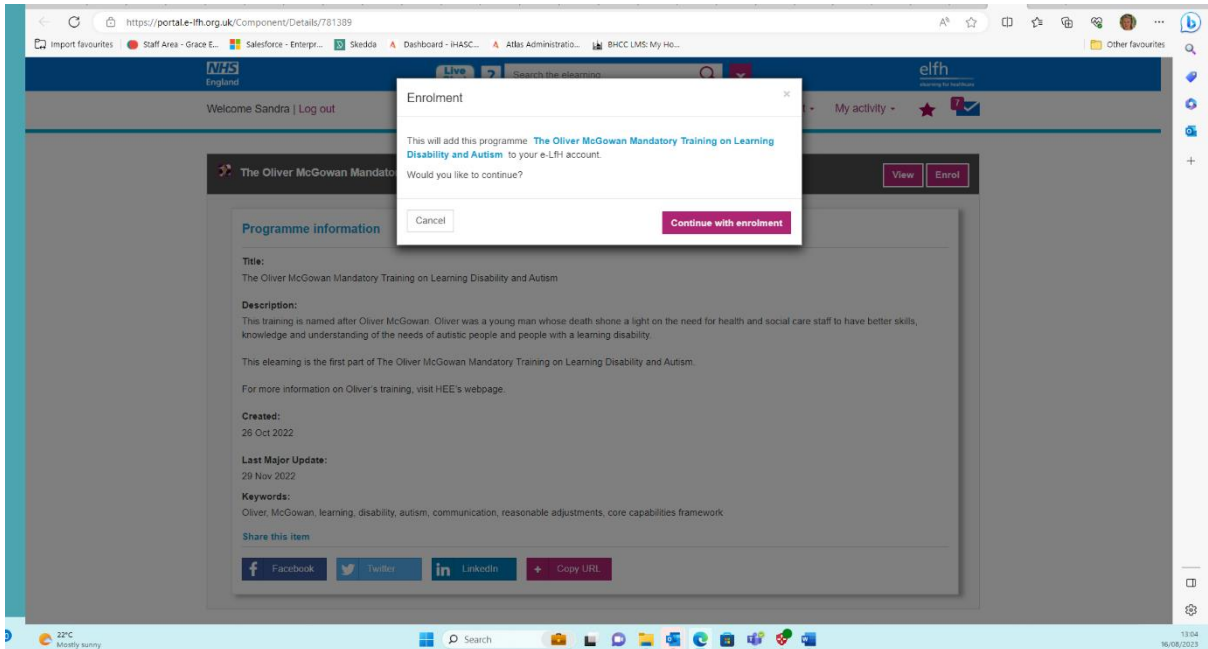

Click on the top one – The Oliver McGowan Mandatory Training on Learning Disability and Autism – Part 1 of 2.

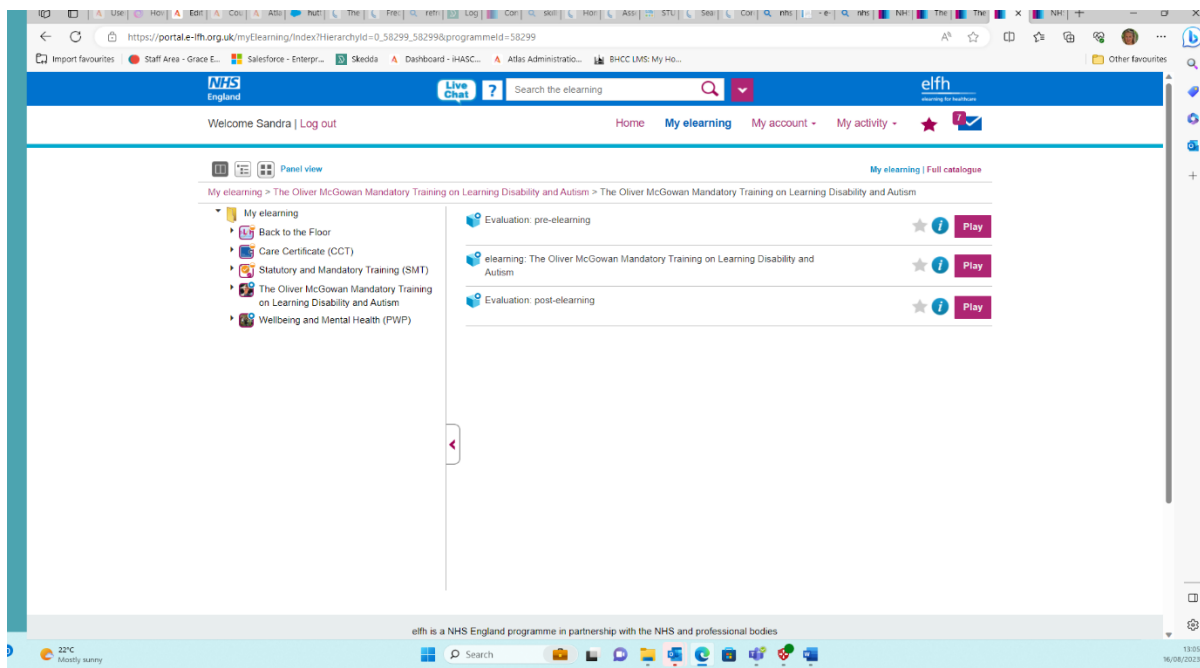

Click on enrol

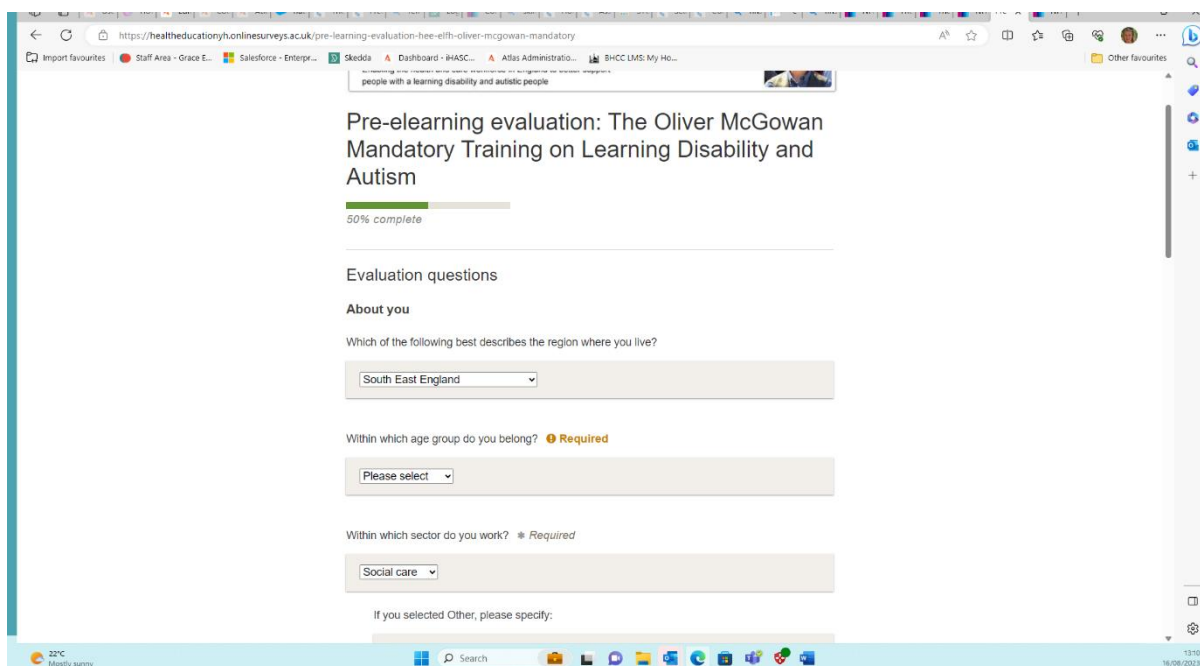

Click on 'continue with enrolment'.

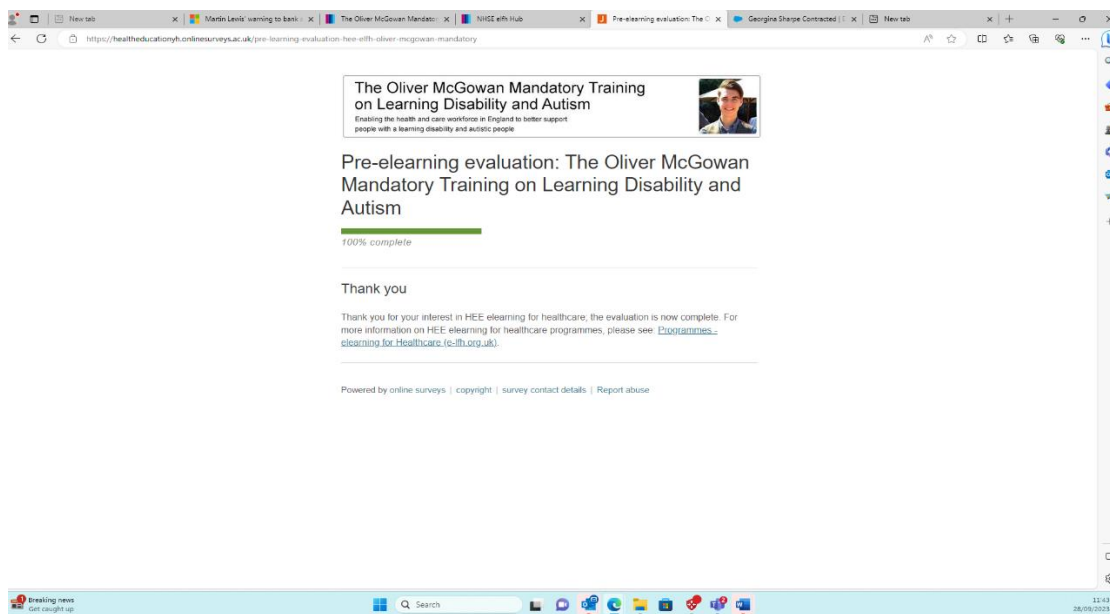

Click 'play' on Evaluation: pre-learning

The training will start with a pre course evaluation which will need to be filled in. The pre course evaluation will open on a new tab.

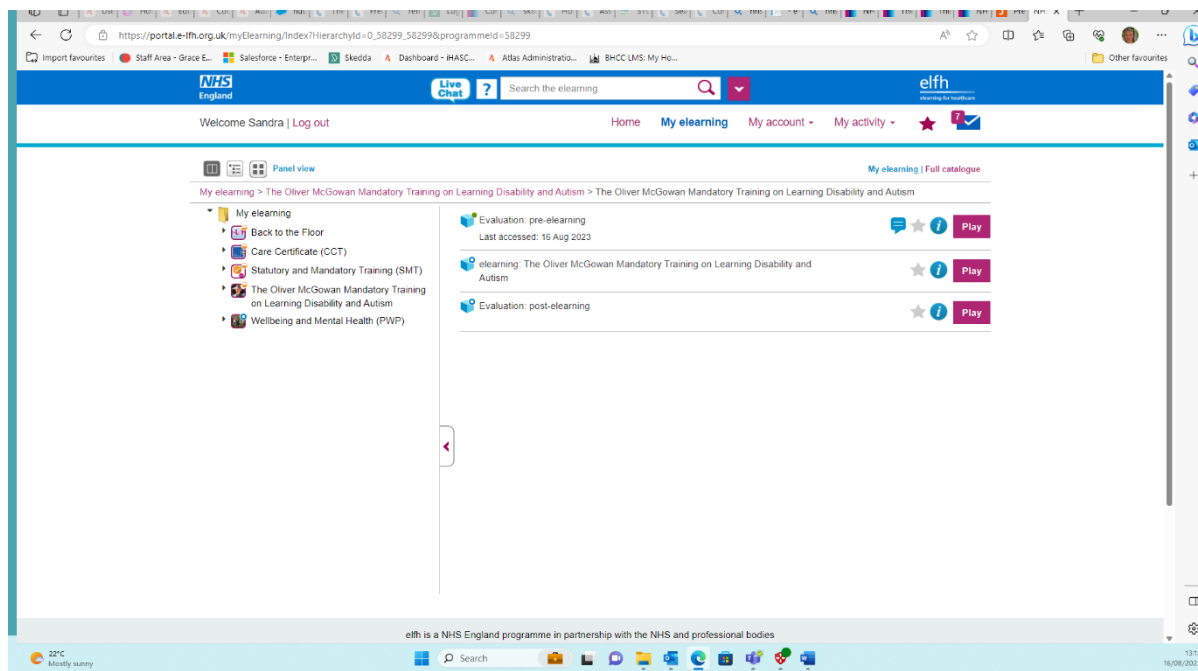

You will see the below screen which will need to be completed with your details

Once completed the evaluation you will see the screen;

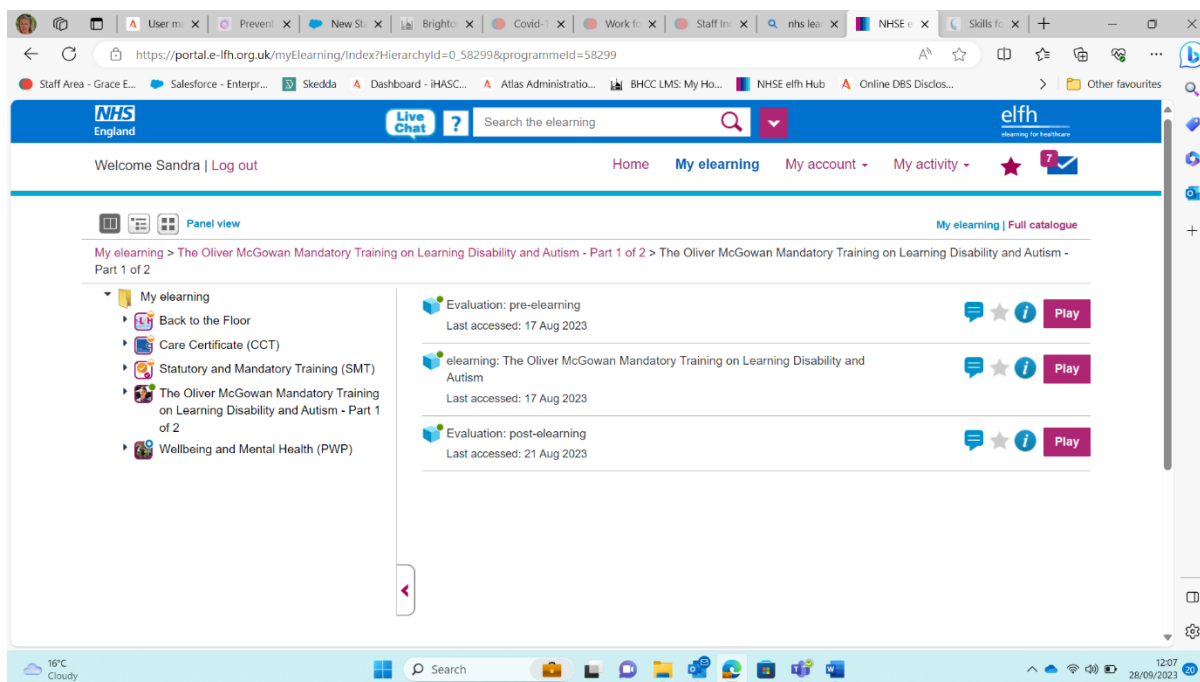

When you have finished the pre course evaluation, please close that tab and go back to the original tab with the 3 modules, as below. The module that you have completed will be highlighted with a star, see below.

Click play on eLearning: The Oliver McGowan Mandatory Training on Learning Disability and Autism.

Once you have completed the Oliver McGowan Mandatory Training eLearning you will be asked to complete a post evaluation survey. This then completes your training, all speech boxes for each module will be marked in blue.

The screenshot shows the NHS eLearning portal interface. The top navigation bar includes the NHS logo, a search bar, and user information. The main content area displays a list of training modules under the heading 'My elearning'. The modules listed are:
